UNIVERSITY OF TORONTO | Interdepartmental Division of Critical Care Medicine

ART SLUTSKY RESEARCH DAY

TUESDAY, JUNE 18, 2019

8:00 A.M. – 5:00 P.M.

The Vivian and David Campbell Conference Facility,
Munk School of Global Affairs and Public Policy, Trinity Site
1 Devonshire Place

Keynote Speaker: Dr. Elie Azoulay

Professor Elie Azoulay graduated from the Paris University, completed his training in pneumonology and critical care in 1996, and a PhD in chemotherapy and G-CSF-related pulmonary toxicity in 2002. He is currently the head of the Medical ICU at the Saint-Louis hospital, Paris. Professor Azoulay has been part of the editorial board of several international journals and the Editor-In-Chief of Intensive Care Medicine (2012-2018). He has launched both the FAMIREA and GRRR-OH groups for communication with families of ICU patients and management and outcomes of respiratory failure in immunocompromised patients respectively. Professor Azoulay has published more than 400 peer-reviewed articles. He has been actively involved in the Société de Réanimation de Langue Française (SRLF) and the European Society of Intensive Care Medicine (ESICM).
