UNIVERSITY OF TORONTO | Interdepartmental Division of Critical Care Medicine

IDCCM Visiting Professor Rounds

Tuesday March 22, 2022

3:00 pm - 4:00 pm

Via ZOOM!

"Can we compare long-term non-mortality outcomes in critical care trials?"

Michael Harhay, PhD, MPH

Assistant Professor

Division of Epidemiology and Medicine

University of Pennsylvania

Objectives:

1. Review conceptual and empirical issues encountered with the use nonmortal trial outcomes in randomized trials with high mortality.
2. Contrast the advantages and disadvantages of statistical solutions and composite outcomes frameworks to compare long-term outcomes in randomized trials.
3. Introduce a new composite outcome framework for comparing long-term outcomes in critical care trials.
