UNIVERSITY OF TORONTO | Interdepartmental Division of Critical Care Medicine

IDCCM Visiting Professor Rounds

Tuesday October 3, 2023

3:00 pm - 4:00 pm

Via ZOOM!

Title: “A Closer Look: Confronting the complexity of critical illness”

David Maslove, MD
Associate Professor
Department of Medicine and Critical Care Medicine
Queen’s University

Objectives:

1. To identify modern approaches to studying the complexity of critical illness
2. To examine the implications of disease complexity on research and clinical practice
3. To explore potential adaptations to current research approaches that accommodate complexity in critical illness states
